### **Welcome!**

We would like to welcome you to our service today. We are happy to have you and we hope that you will find our worship engaging and our community welcoming. We hope to see you again in the coming weeks.

### **Large Print Bulletins**

Large print bulletins are available at the main doors.

### **Receivers and Headphones Available**

We have an assisted hearing device installed and receivers and headphones are available for use during the Service. If you would like to use them, please speak to the person at the sound system.

### **Offering**

Donations may be placed in the plates at the entrance to the main aisle. We thank you for your contributions.

### **What to expect at worship under the current CPHO guidelines**

Throughout the long months of this pandemic session has worked to ensure that we are up-to-date on public health measures and also has attempted to make the decisions we felt would keep the congregation the safest. Going forward at this time we will leave the bunting in place so that there is seating available in every other pew to ensure some spacing. As of May 6 masking is a personal choice. We note, however, that CPHO highly recommends that we continue to mask indoors.

### **This Week's Music**

We are happy to hear Ian Soloman again! He was a choral scholar with us for five years and made a wonderful contribution to our services. Ian begins his studies toward a Master's in Music in Ottawa in September.

### **Fellowship Time**

Please join us after Church for fellowship time outside on the lawn, weather permitting, with Barbara Holt and Rebecca Wellner as our hosts.

### **Looking for Older Style Door Knob**

We are looking for an older style push/turn weiser door knob to replace a doorknob in the sanctuary. For reference it is like the one on the door as you enter the sanctuary from the hall. If you happen to have one that you removed from an old door please let us know.
