Pastoral Care Initiative

One of things that has come to light both through the pandemic and now is how much our congregation means to us. We want people to know that whether you are here in person, or not comfortable being in public spaces yet that we are thinking about you and care about you. The pastoral care team has been talking about ways we can reach out and over the next months we will be phoning, dropping off cards and checking in with people. If there is someone you want to make sure we reach please let Rev. Amanda know.

We look forward to recognizing these milestones!
