PCC Mission Moment

Somalia has been devastated by drought for the last six years. Among the many pushed to the brink of starvation is Hawa Ahmed, a resilient mother of eight. When the lack of water and food made the situation increasingly dire, Hawa made the courageous decision to relocate her family for the chance at a better life. Her new surroundings came with a harsh reality: as a displaced person, she was stripped of her possessions and support system, leaving her feeling alone and anxious for a solution. Things changed when Hawa joined a program supported by PWS&D that provided families with emergency cash. With this financial support, Hawa was able to purchase food and ensure access to clean drinking water for her children.
