200th Anniversary of the Kirk

From the time of its founding in 1825, our congregation has been a beacon of Christian worship and service in the Charlottetown community. In 2025 we will celebrate our past and look to the future with a series of activities to mark the 200th anniversary of the Kirk. Designed by David Robinson, the Kirk 200 logo shows distinctive features of the first Kirk building, as well as the Kirk we know and love today.

Fellowship Time

Please join us following the morning service for fellowship time outside on the lawn, weather permitting, with David and Constance Robinson as our hosts.

Special Congregational Meeting August 24, 2025

Session has called a special congregational meeting for August 24, 2025, immediately following worship in the Sanctuary. The purpose of the meeting is to approve a recommendation from the Session and the Restoration and Improvement Committee that the Kirk apply for a loan of up to \$90,000 from the Presbyterian Church Building Corporation to support building two accessible and gender-neutral washrooms in place of the existing upstairs washrooms. The loan would be interest-free for 15 years. The Stewardship Committee plans to launch a special financial appeal in tandem with this work, to raise the funds needed to pay off the proposed loan as quickly as possible. If the congregation approves this action, our loan application will be presented to Presbytery for its required endorsement on September 9.

This is a substantial project involving considerable demolition and reconstruction, and therefore we need to tap several funding sources. We have already received a grant from the federal government to support this initiative. We are applying for a grant of \$10,000 from the national church's McBain-Barker fund. Kirk leadership have earmarked money from the Renewing Hope Capital Campaign and the Endowment Fund. These financial supports will go a long way towards realizing the washroom project, but additional funding will be required to ensure its completion, thus our desire to secure the interest-free loan. This project was identified as a priority during the capital campaign, during the New Beginnings process and by the Sustainability Committee. These modern, accessible and gender-neutral washrooms will support our mission objectives of meeting the needs of persons with disabilities as well as LGBTQI people (especially trans individuals). It will also make the Kirk a more attractive venue for rentals and income-generating events. We hope that you can attend this important meeting.
