PCC Mission Moment

The Government of Pakistan is intensifying its efforts to expel undocumented Afghans, as well as those with temporary permission to stay in the country. Between 700 and 800 families have been deported daily. These deportations pose devastating risks, particularly for women and girls who face increased threats of violence, persecution and loss of access to basic rights upon return to Afghanistan. Such actions violate international protection principles and undermine decades of humanitarian efforts to protect vulnerable populations. Your voice and solidarity are crucial at this moment. Visit WeRespond.ca/advocate-for-Afghan-refugees to learn more and take action.

Happy New Year!
