PCC Mission Moment

Yemen has been devastated by over a decade of conflict, disrupting food systems and causing hunger. Yahya, a father of four with a disability that makes walking difficult, worries about his malnourished daughter. "We strive to obtain food, but the situation remains tough," he shares. "When you entered our village with the food basket distribution, it changed my life significantly. Thanks to your support, my situation began to improve. I was able to save some money through the food basket and decided to buy a water tank. This step was important for my family, as we finally have clean water." PWS&D works together with Canadian Foodgrains Bank and local partners to deliver vital food assistance to families like Yahya's who are facing worsening food insecurity.
